SIR,

ENCLOSURES..... 2

SPARE COPIES.....

I have the honour to forward herewith for the information of Government, copies of my letter to the Superintendent, Indian Tea Market Expansion Board, Bangalore and his reply thereto in the matter of the Indian Tea Market Expansion Board assisting in running a Tea Canteen for the A.R.P. Services. It will be seen that the Board has agreed to my proposals and the only new conditions that they are imposing are (1) the supply of petrol free of cost for the Superintendent's Car and his assistant's Motor Cycle for the purposes of inspection only and (2) free residence for the Board's staff. I am making enquiries as to the quantity of petrol that may be required for the purposes of inspection and I think we may agree to a certain limit, say 4 to 6 gallons per month. As to free residence, I understand all that they want is a room or two in the premises of the A.R.P. Office for the staff to stay in during the day time, as we do not want the Tea Canteen at this juncture, during the night also. During an emergency, they will of course stay with the Depot personnel all the 24 hours. I will make this clear in my letter to the Superintendent.

I recommend...

I recommend that the arrangements may kindly be accepted by Government.

I have the honour to be,
Sir,
Your most obedient servant,

A.R.P. CONTROLLER,
Bangalore City.

Letter No.F.57/1995 dated 27th July 1942, from the Superintendent, Indian Tea Market Expansion Board, No.3, St.Mark's Road, Bangalore, to the A.R.P. Controller, Bangalore City.

With further reference to my letter No.F.56/1718 of the 10th instant, I have pleasure in stating that the Commissioner for India, Indian Tea Market Expansion Board is pleased to accept your offer of placing a motor van at our disposal suitably constructed internally by you to meet the requirements of free tea service by the Board for the A.R.P. staff in Bangalore City.

As agreed to between us, the Motor tea van will be maintained at the expense of the A.R.P., Bangalore City, including the free service of a driver, free supply of petrol and oil and maintenance of the van in running condition.

The Board is not in any manner bound to pay any taxation or fees for the running of the van as the van would remain the property of the A.R.P. and placed at the disposal of the Board for the duration.

In connection with the inspection of this work by the Board's Superintendent and his assistant, the A.R.P. will supply petrol free of cost or make arrangements for the free supply of petrol for the Superintendent's car and his assistant's motor-cycle.

It is also agreed between us that the Board's staff, viz. 2 Demonstrators and 2 Attenders working in connection with this Tea Van will be provided with free residence by the A.R.P. where the van is stationed, to be available at any time for A.R.P. purposes for serving tea to the A.R.P. personnel.

The Board on its part would provide the staff as mentioned above and provide also the inspection of the work under their discipline subject to A.R.P. needs.

The Board will also supply free of all cost liquid tea to the A.R.P. personnel in accordance with programme to be drawn up hereinafter by the A.R.P. Controller in consultation with the Superintendent of the Board.

The equipment for the preparation and distribution of tea will be supplied by the Board and will remain the property of the Board.

The Commissioner is prepared to defray the cost of painting the tea van if you are agreeable to have the van painted and letterings done on the lines of the sketches herein enclosed.

I shall be glad to arrange for organising the mobile tea Canteen for A.R.P., Bangalore City, immediately on receipt of your reply confirming the above arrangements.

Thanking you,

Letter No.A.R.P.2/42-43 dated 9th July 1942, from the A.R.P. Controller, Bangalore City, to the Superintendent, Indian Tea Market Expansion Board, 3, St.Mark's Road, Bangalore.

The A.R.P. Services in Bangalore City as you probably know are almost entirely voluntary and it is felt that some facility should be created to these volunteers during their practices and during emergencies. One direction in which this can be done is by organising Canteens both fixed and mobile. I should be glad to know of what assistance the Indian Tea Market Expansion Board can be in this respect. Mysore, as you know is mostly a coffee drinking country and it may be to the advantage of your Board to make use of the present opportunity to encourage the Tea-drinking habit.

I would propose the Board arranging for the serving of Tea to A.R.P. volunteers at their periodical meetings and practices I am prepared to place at the disposal of the Board a motor vehicle with a driver and undertake to maintain the vehicle at the expense of the A.R.P. Your Board will have to arrange for the necessary utensils and provisions and the personnel for the preparation and serving of Tea, entirely at the expense of the Board. I hope this division of responsibilities will meet with the approval of your Board and we shall soon have the satisfaction of seeing an A.R.P. Mobile Canteen running in the Bangalore City area with the co-operation of your Board.

SPARE COPIES.....

In continuation of my letter No.A.R.P.2/42-43 dated 28th July 1942, in the matter of arranging for an A.R.P. Canteen in collaboration with the Indian Tea Market Expansion Board, I have the honour to forward herewith the letter of the Superintendent dated 31st July 1942, wherein he states that he requires only coupons for 4 gallons of petrol for himself and 4 gallons of free petrol for his assistant. This may kindly be agreed to as the cost on account of supervision will only be about Rs.8/- a month. The accommodation for the staff will be only a room which I can readily find in the A.R.P. Office. The arrangement may therefore be kindly accepted by Government and the orders passed immediately, if possible, so that I may have the canteen functioning before the 10th August 1942.

I have the honour to be,
Sir,
Your most obedient servant,

A.R.P. Controller,

Letter No.F.57/2119 dated 31st July 1942, from the Superintendent, Indian Tea Market Expansion Board, No.3, St. Mark's Road, Bangalore, to the A.R.P. Controller, Bangalore City.

I acknowledge your letter No.A.R.P.2/42-43 and A.R.P.2/42-43 of the 27th and 29th instant.

I note that the canteen will not be required to work during nights at present, in which case only a Tea preparation and storage room will be required.

My Inspection car and my assistant's motor cycle for the inspection of the Tea Canteen work in connection with the A.R.P. work solely, would require four gallons petrol each per month.

As for my car, if you can help to obtain coupons, the cost for petrol need not be met with by the A.R.P.

I have ordered for the equipment required for the Mobile Tea Canteen and I shall be glad to hear from you soon, so that work may be started without delay.

Thanking you,
